SUBJECT *AT&T Corp v FCC & USA*, No. 03-1017. Filing of a Petition for Review in the United States Court of Appeals for the District of Columbia Circuit.

DATE: January 31, 2003

---

This is to advise you that, on January 28, 2003, AT&T Corp. filed a Petition for Review, pursuant to 47 U.S.C. § 402(a), of the following order: *Implementation of the Pay Telephone Reclassification and Compensation Provisions of the Telecommunications Act of 1996*, Fifth Order on Reconsideration and Order on Remand, CC Docket No. 96-128, FCC 02-292 (released October 23, 2002).

AT&T challenges the above-referenced order that resolved a large number of issues remaining from prior payphone remands, including an adjustment of the per-phone compensation rate, an allocation of compensation among the various interexchange carriers (IXCs) who are responsible for payment, and refunds of overpayments made by IXCs pursuant to a compensation rate that was subsequently reversed.

The Court has docketed this case as No. 03-1017. The attorney assigned to handle the litigation of this case is Joel Marcus.
